**Subject:** For Your Review: SSM SIP Call Withdrawal for TX

## Ex. 5 Deliberative Process (DP)

As always, thanks for everyone's work and participation here.

---

The final action for the withdrawal of the 2015 SSM SIP Call for Texas is attached to this email and is ready for your review. The workgroup is requesting your review of this action by COB 12/13. If for some reason you are unable to complete your review by that time, please let us know so we can adjust our work schedule accordingly.

OAQPS held a decisional briefing for OAR senior management in October on this action, and subsequently, the notice has recently undergone two levels of management review in Region 6, ORC, OGC, OECA, and OAQPS. Once your review is complete, we will incorporate your feedback as quickly as possible, then the notice will be routed for final Region 6 concurrence by 12/20, with a goal of final signature date soon thereafter.

If you have any questions or concerns, please let us know as soon as possible.
